FLASHBACK

MARCH/APRIL 1987

Playboy's *Book of Lingerie* debuted in May 1984, but it took nearly three years until our second edition was ready for the masses. When the March/April 1987 BOL finally hit newsstands, it had an amazing Playmate punch—1982 Playmate of the Year Shannon Tweed (left) gorgeously graced the front cover, and 1984 PMOY Barbara Edwards posed provocatively for the back cover (right). In between those two stunning shots, the magazine was packed with long, lean lovelies clad in next to nothing. The book was a hit, and it was definitely worth the wait.

The Bare Facts

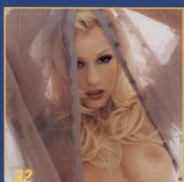

NATASHA PODKUYKO Tall (5'11"), slender and talented, our cover girl is an accomplished illustrator, painter, sculptress and makeup artist. Her leisure time is also spent in pursuit of the arts—going to shows, seeing ballets, painting and sketching. *Gen Nishino, 4, 5, 6-7.*

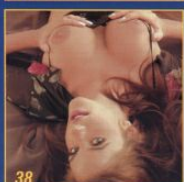

DAPHNEE DUPLAIX The newest member of Playboy's hi-tech off-road adventure X-Treme Team aced the physical: "I can do 60 push-ups, 300 sit-ups and run two miles in 10 to 12 minutes." Meanwhile she's been showing up regularly on TV—in *Just Shoot Me*, *Angel* and *VIP*. What's it like to work with Pam Anderson? "In person she runs counter to her public image. She's funny, sweet, down-to-earth and has no problems being goofy. She's great." *Chris Peter Paul, 8, 9.*

MILAN NALINA People can sometimes misinterpret her, she says, because "I'm flashy and flirtatious. I don't mean it in a bad way; it's just my personality." *David Rams, 10-11.*

JOY BEHRMAN Does this two-time Readers' Choice finalist find herself attracted more to a guy's looks or to his personality? "There's a lot more I look for in a man besides looks or personality. I'm also attracted to intelligence, a great sense of humor, experience, maturity, sensitivity and stability. It's the whole package that counts, not any one thing." *Gen Nishino, 12, 13, 14-15.*

MEGAN MCKENNEY A Hooter's calendar girl, fitness model and spirited Texas Bikini Team member, Megan has energy to burn. If anything, she considers herself a little too nice. "It drives me crazy. I can't say no to anyone and I end up overextending myself." *Ric Moore, 16-17.*

KATIE LAWRIE At times overwhelmed by shyness, Katie blushes at the memory of dates when she clammed up. Usually, though, a guy will draw her out if he's "just nice, polite and can make me laugh." Vital stats: 5'8", 118 lbs., 34-24-35. *Byron Newman, 18, 19, 20, 21.*

JAMI FERRELL "Normally I'm quiet and calm, I love to read and be thoughtful. But sometimes I laugh too much because I'm easily amused and life is so full of the ridiculous—especially here in California!" Vital stats: 5'8", 118 lbs., 36-22-35. *Chris Peter Paul, 22, 23.*

JESSIE REYES What's the craziest thing she's done to get a guy's attention? "I gained 44 pounds because he thought I was too skinny, which I was. But no, sadly, it didn't work. We were both 13 and he moved away!" Vital stats: 5'8", 123 lbs., 34-24-34. *Ric Moore, 24-25.*

VICTORIA ZDROK Besides practicing law and working on her doctorate in clinical psychology, Victoria reads poetry in Russian, English, French and Spanish. *David Rams, 26, 27, 28-29.*

KORINA NAKIDA A major goal? To learn 15 foreign languages. Her motto? "If someone can do it, I can." Biggest turnoff? Stupidity. Vital stats: 5'5", 108 lbs., 34-23-34. *Phil Shockley, 30, 31.*

ZOE PAUL Her confidence springs from her spirited English childhood. "I was very naughty, disruptive, a tomboy, a good liar and tough. But the part that saved me from getting into more trouble was that I was also pretty, smart and wise." Vital stats: 5'5", 110 lbs., 36-25-36. *Mizuno, 32-33.*

JESSICA ROBERTS OK, you've got gorgeous, sexy Jessica by your side and you'd love her to commit to another date. What do you do? Clue: Tell her she's "the most beautiful girl you've ever met." That should earn a return engagement. Vital stats: 5'5", 112 lbs., 32-24-36. *Byron Newman, 34-35.*

BRANDY RITCHEY Illinois born and raised, Brandy gets creative satisfaction from painting and drawing and athletic gratification from skiing and running. *Andrew Goldman, 36-37.*

BROOKE ROSE In general she's extremely content, believing that if you "smile, take it easy and love everyone life is easier." But disorganization is still a major problem for her. "Try as I might, I have far too many dizzy-blond days." Vital stats: 5'4", 112 lbs., 32-22-33. *Byron Newman, 38, 39, 40-41.*

VICTORIA LAYNE She's partial to a man who's down-to-earth, mature, hard-working and funny. He should also be self-confident and sensitive enough, Victoria says, to be "unafraid to tell me he loves me in front of his friends." Vital stats: 5'7", 125 lbs., 34-23-34. *David Rams, 42, 43.*

WENDY CHRISTINE "A guy saw me on a shoot, recognized me from the cover of the '91 *College Girls* issue, ran home and brought it back for me to sign. It was so cute." *Phillip Vullo, 44-45.*

CHRISSY KENNEDY "Crazy and outgoing," this native Floridian likes dancing, reading, music, great jokes and hanging on the beach. She plans a career in travel and tourism. *Byron Newman, 46, 47.*

GENEVIEVE MICHELLE What feature of a man first attracts her? Eyebrows. Favorite perfume? Envy by Gucci. Favorite sport to watch? Football. Last good book? *Maybe, Maybe Not.* Favorite performer? Madonna. "She's an amazing talent, absolutely the best!" *Gen Nishino, 54-55, 56-57.*

HOPE TYLER She admits that she was once horribly afraid of men, but says she's finally overcome that. "Sorry, guys, but for a while there I believed all men were pigs. Too many really, really, bad dates, I guess." Vital stats: 5'7", 118 lbs., 36-24-36. *Andrew Goldman, 58, 59.*

TARA KING Olive-skinned Mediterranean types catch her eye, and if they're strong, motivated, self-confident and "able to understand me" they're keepers. *Byron Newman, 60, 61, 62-63.*

ANGELICA DAVIS While she works to become a clinical social worker, she relaxes with needlework or by swimming and playing racquetball. Vital stats: 5'8", 125 lbs., 34-23-35. *David Rams, 64, 65.*

KATALIN KIRALY A native of Budapest, Katalin attributes her self-confidence to her large, loving family ("I have 20 cousins!"). She knows she can intimidate men and wouldn't have it any other way. "I like it when men are afraid of me—a woman who's both smart and pretty." *Byron Newman, 66, 67.*

SOPHIE BLAKE She understands why men might be confused by a woman changing her mind on the spur of the moment. "But guys have their own weirdness. I've never understood a man's need to talk about himself all night." What baffles her most about them? Their sex drive. "Mine is always higher! So much for that myth." Vital stats: 5'7", 112 lbs., 32-22-33. *Byron Newman, 68-69.*

CAPRI ASHBY Embarrassing model moment of the month: During a romantic interlude with her boyfriend, his dad walked in on them. "It gets even worse: His dad's a cop! I wasn't sure if he'd apologize or arrest me." Vital stats: 5'3", 105 lbs., 32-23-34. *Byron Newman, 70, 71, 72, 73.*

NICOLE WOOD Succeeding Danelle Folta as captain of the X-Treme Team last fall, Nicole got down, dirty and daring without missing a beat. "I've always been a little bit off my rocker when it comes to sports. I grew up with broken bones. In fact, instead of flowers, my boyfriend bought me a skydiving jump for my birthday." Vital stats: 5'6", 115 lbs., 36-24-34. *Cynthia Kaye, 74, 75.*

ALESHA ORESKOVICH Miss June '93's idea of a perfect evening? "A quiet, one-on-one dinner with my boyfriend. I don't need bells and whistles to have fun." *Cynthia Kaye, 76, 77, 78-79.*

SHEILA BELL Simple pleasures make her happiest—long walks on the beach, reading, antique shopping, country-western dancing and good, hard workouts. *Andrew Goldman, 80, 81.*

MILANKA MCKEE A dedicated vegetarian, Milanka's taste in music is more eclectic, ranging from Eric Clapton to U2 to Annie Lennox. Vital stats: 5'6", 110 lbs., 36-24-35. *David Brandt, 82, 83.*

DEENA THACKERSON This former "nerd" ("I was shy and never in any trouble") hopes to run an animal shelter someday. Her requirements for Mr. Right? Honesty, not into material things, great self-esteem, closeness to his family, down-to-earth personality and kindness to animals. But even if he fills the bill in every other way, a guy who "sticks his tongue in my ear or wears G-string underwear" will be given the gate. Vital stats: 5'9", 122 lbs., 36-24-35. *David Rams, 84, 85.*

LEILANI DOWDING Half English, half Filipino, this exotic genetic blend won the Miss Great Britain title in 1998 and would love to be crowned the next Bond girl or get a part in the next Aaron Spelling sudser. Meanwhile, she's studying biology and chemistry. *Byron Newman, 86, 87.*

REBEKAH TEASDALE Making her first Special Editions appearance, Rebekah tells us she unwinds at night with a glass of wine and a good mystery. *Byron Newman, 90, 91, 92-93.*
